Reducing Harm across the Lifespan

18 – 20 October 2010 · Wrest Point Convention Centre, Hobart

***Full program now available online
Register now to take advantage of early bird savings***

ATDC 2010 Reducing Harm across the Lifespan is fast approaching. The conference will be held from 18 – 20 October and discounted early bird registration is available until 31 August.

The full program is now available online. The conference brings together over 18 high profile speakers from around Australia presenting on a broad range of issues relevant to the alcohol, tobacco and other drugs sector. As well as an excellent learning opportunity, the conference provides delegates with an opportunity to network with those in the field.

If you are working in, studying, engaging with, or just interested in the alcohol, tobacco and other drugs field you cannot afford to miss this important event.

Registration queries should be directed to the conference secretariat on 03 6234 1424. All other queries can be directed to the conference manager on the number below. If you would like to receive a full conference brochure, please reply to christinem@atdc.org.au
