Perdie said ... *"I am a 32 year old person. I say person because I don't know who I really am. I have the body of a disfigured woman and the mind of a dead soul. Self-harming for me is a physical manifestation of the extreme internal distress and trauma I feel each day of my life. The feelings of guilt, shame and self-hatred for what I allowed to happen in the past. It is my punishment, yet release from this intense inner pain".*
