## Membership Categories Explained

Below is an explanation of the MHCT membership categories. If you are unsure which category suits you or your organisation please contact the Sector Liaison Officer on 03 6224 9222 or email [ehard@mhct.org](mailto:ehard@mhct.org).

### Full Member Organisation

Full membership of MHCT is available to organisations which are non-government and not-for-profit associations, groups, or organised networks that:

- have a stated mission or objectives significantly concerned with mental health; and/or
- serve the needs of primary consumers of mental health services and/or carers.

### Full Member Individual

Full membership of MHCT is available to individuals committed to and able to contribute to the purpose and objectives of MHCT, including mental health consumers and carers and individuals working within the not-for-profit mental health sector, but not within government departments or agencies.

### Associate Member

Associate membership is available to individuals and organisations that do not qualify for full membership of MHCT but who are committed to and able to contribute to the purpose and objectives of MHCT, including:

- private (for-profit) mental health services and practitioners;
- organisations (not-for-profit and for-profit) and individuals whose work or experience is not significantly concerned with mental health;
- educational institutions; and
- local government.
